a comprehensive account of the service and sacrifices of american citizen soldiers since colonial times rooted in the english tradition of militia service and firmly established by the u s constitution the composition and service of the army national guard ang has evolved in 3 distinct phases during the past 400 years militias provided local protection and law enforcement and fought in the american revolution volunteer armies fought the civil war and protected settlers during westward expansion and after the spanish american war with the militia act of 1903 the ang became the organized trained and equipped federal reserve of the u s army also traces the organizational development of the ang and explains the powerful influences exerted on it illustrated

covers the entire history of both the army national guard and the air national guard

since colonial times americans have used the militia to maintain local order during both war and peacetime states have intermittently created maintained deployed and disbanded countless militia organizations outside the scope of the better known national guard barry m stentiford tells the story of these militia units variously called home guards state guard national guard reserve and state defense forces stentiford traces the evolution of the militia over the past century demonstrating its transformation from an amalgamation of state militia units into the national guard a reserve of the army ironically the very existence of the national guard made the creation of other militia forces necessary during periods of war the home guards or state guard were organized to fill the vacuum left when the national guard was called up depriving states of an organized militia that could be mobilized for repelling invasions suppressing riots controlling strikes or guarding the waterfront stentiford carefully analyzes the challenges that faced the state guards as states sought to build their new militia with leftover men and material he also examines the role of the state guard providing relief during and after natural disasters providing military training for future draftees and broadening participation in military units during wartime by giving a role to men who because of their age or occupation could not join the federal forces the state guard gained a new significance in the cold war especially as the political unpalatability of a draft and reductions in the size of the full time military expanded the functions of the national guard in military policy today modern state militias born to an ancient tradition must define a role for themselves in a society that increasingly views them as anachronistic they must also compete ideologically with so called unorganized militias for the title of true heir to the american militia tradition

this research guide fills a major gap in the literature about the citizen and volunteer soldier in american military history and explains how to conduct research on the subject and to explore fruitful areas for future study professor cooper gives a brief historiography and points to the 50 most important studies on america s militia and national guard a

Carefully annotated bibliography provides basic information about 406 books dissertations and journal articles chapters cover different historical periods and topics including african americans for the easy use of students scholars and researchers in history and military studies as well as for history buffs wanting to learn more about the guard author and subject indexes add to the usefulness of the volume

provides a history of the praetorian guard from its founding to its disbanding

unlike most histories of the national guard jerry cooper s citizens as soldiers a history of the north dakota national guard examines the guard not merely in its wartime context or in terms of military actions in which it has engaged but also as an integral element in the growth and development of community in the american west from the guard s early incarnations as social clubs or lodges where members dressed in uniform paraded and held dances through its gritty service in the philippines and beyond cooper shows how membership in the guard and later in the air national guard helped forge bonds of local regional and national identity

the formation of what would eventually become the west virginia national guard has its roots intertwined in the old virginia militia system of the early and mid 1700s this militia system spanned the indian hostilities of the french and indian war american revolutionary war 1780s and 1790s indian wars and civil war images of america west virginia national guard covers the time span between 1898 and 1919 this period of guard history was chaotic to say the least and was typified by turbulent social economic and political unrest

mackenzie s detailed history of the home guard offers a new perspective on the men who took up the challenge despite its popular image of old men and teenagers playing soldiers the home guard often as large as the wartime army became an astonishingly strong political force in its own right

excerpt from a history of the national guard in indiana the history is issued by the publisher with the hope that it may cause the guardsman to have a greater pride in his organization and the people to have greater pride in the guard about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are
