a must read for every concerned american and especially for every christian who weeps at the graveside of his culture r c sproul a cataclysmic change has occurred as our culture has shifted toward belief in oneism every religion and philosophy fits into one of two basic worldviews oneism asserts that everything is essentially one while twoism affirms an irreducible distinction between creation and creator the other worldview exposes the pagan roots of oneism traces its spread throughout western culture and demonstrates its inability to save for bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the gospel to a sinful world which is the ultimate expression and goal of twoism the only hope is in christ alone

this is a work about our very existence about reality about the relationship between the individual personality and the cosmos in which that personality exists showing how the person is a microcosm a little part of the cosmos subtly reflecting his w

in foundations of re enchantment christopher coome tells an immersive and compelling story of the remarkable emergence of occult organizations at the turn of the 19th century he chronicles how major occult sodalities grew like ripples the hermetic order of golden dawn the anthroposophical society and the ordo templi orientis these were some of the most delightfully bizarre magnetic and intellectually pyrotechnic individuals of the 19th century and their antics both intellectual and personal make for some of the most engaging moments in the development of contemporary spirituality

how did god create the world around us so that we can understand him god created the universe so that the human mind could naturally come to a knowledge of him by observing our surroundings but how exactly does this happen how can we be sure that there is a spiritual reality underlying everything or that one even exists at all following upon the first volume logic which teaches the student how to think well philosophy of nature seeks to help man understand how to view the material universe that surrounds him and to see the order that god has instilled in it the basic concepts of matter form and motion are addressed so that the modern attacks upon each one s existence can be repelled nearly every philosophical error of modernity stems from a misunderstanding of the material world this bad philosophy of nature has led to catastrophic conclusions that deny the spiritual world and prevent a right view of things according to the mind of the saints the church and god himself understand the church s explanation of how the material world around us exists according to the philosophy of saint thomas and deepen your understanding of the first book that god wrote the material universe so that we can see his mark in every aspect of creation

this collection of letters by frithjof schuon the foremost spokesman of the perennial philosophy contains nearly 200 newly translated letters from schuon s youth to old age as written to friends spiritual seekers scholars and others among the letters are those that address in a simpler and more accessible manner the same metaphysical subjects that continually recur in schuon s published works other letters relate to the spiritual life in its simple and concrete aspects by answering such fundamental questions as why is there evil in the world how can i recognize if i am on a wrong path and what should i do to be saved finally there are letters that relate to various aspects of schuon s life most of which were written to his closest friends while not a comprehensive autobiography these letters offer an intimate view of certain key moments in his life taken as a whole the present collection of letters offers insights into the content of frithjof schuon s message his exposition of the perennial philosophy as well as a glimpse into his life as messenger of that philosophy

the search for knowledge and wisdom has always been a many sided pursuit throughout human history mystics and seekers have shared powerful and intuitive views about the divine while skeptics and nonbelievers have been quick to explain these beliefs away as self deception but the truth is more complex and evolving than either of these approaches hence the need for philosophers who work to separate and connect the divine and the natural the subjective and the objective and the relative and the absolute through an experimental and open minded approach to the world of spirituality the

philosophy of perennialism recognizes the foundation that all of the world's religious traditions have always had in common regardless of culture location or generation it also inspires meaningful reflections and revelations regarding the nature of the divine the meaning of eternity and the purpose of life itself this academic look at perennialism provides a thorough evaluation of the spiritual philosophy from three directions mystical skeptical and pragmatic through these varied points of view the perennial wisdom provokes meditation and thought regarding some of life's most challenging mysteries as seen through the eyes of students of the perennial philosophy
